

Canterbury Manor Stables

Summer Camp—2018

It's almost Summer Camp time again.

Come and Join us for a week of horses!

As a camper you will learn how to feed, groom, and clean up after the horses and ponies of Canterbury Manor Stables. You will gain an understanding of equine health, conformation, history, training, equipment and much more. And you will have lots of time to practice and improve your riding skills, surrounded by people who enjoy horses as much as you do. We will finish the week with a show so you can demonstrate how much you have progressed over the course of a week!

We hope to have you along for the ride!

Cost: \$325.00 per week + \$20 fee for rental of ASTM/SEI certified helmet
